- This concert is also part of our fund raising efforts for our church building. Pray that God will provide all of our needs so that we can build the future of City Church together.
- Continue to pray for the complete healing grace upon the sick.

Everyone is invited to the tea fellowship after the worship service.

The Lord's Supper
(1 Corinthians 11:23-29)

For I received from the Lord what I also passed on to you: The Lord Jesus, on the night he was betrayed, took bread, and when he had given thanks, he broke it and said, "This is my body, which is for you; do this in remembrance of me."

In the same way, after supper he took the cup, saying, "This cup is the new covenant in my blood; do this, whenever you drink it, in remembrance of me."

For whenever you eat this bread and drink this cup, you proclaim the Lord's death until he comes.

Therefore, whoever eats the bread or drinks the cup of the Lord in an unworthy manner will be guilty of sinning against the body and blood of the Lord.

A man ought to examine himself before he eats of the bread and drinks of the cup. For anyone who eats and drinks without recognizing the body of the Lord eats and drinks judgment on himself.

Wednesday Bible Study

John 13

The section from John 1-12 focuses on the events from Jesus' public ministry. This section ends with the great public display the Triumphal Entry into Jerusalem. From John 13 onwards, the writer focuses on Jesus' private time with his disciples and then on to the Cross. And this section begins with Jesus washing His disciples' feet, an act which John calls "the full extent of His love".

Jesus and His disciples. *There is love in this relationship (love en-fleshed in service).*

- He wants them to be Happy. In v. 17, the word used is "happy". The way to true happiness is to walk in self-forgetfulness and service to others, like Jesus on his knees serving the disciples. We will be happy if we do this. He wants them to learn service before they can lead. In God's Kingdom, the leaders serve and the servants lead.

Jesus and Peter. *There is grace in this relationship because even though Jesus knew that Peter would deny Him, He still loved Peter and worked on him constantly.*

- Peter initially refused service from Jesus. Jesus wants Peter to learn to receive from Him and learn to be served by others. It often requires humility and brokenness to receive from others, and to be served by others. Unless we are willing to receive and be cleansed by Jesus, we are not ready for ministry yet. We must first receive, and keep receiving, if we want to give anything worthwhile in ministry.
- In v.10, Jesus uses "luou" (a full bath), while other places "nipto" (washing only a part of the body) is used. A person who has had a *luou* need not do it again. But he needs *nipto* continuously if he is to be in good fellowship with Jesus. When Peter realises this, he asks Jesus to wash (*luou*) not just his feet, but his whole body again. We have been saved by the blood of Jesus, and our salvation is secure, but we need to be cleansed by Jesus continuously if we want deep fellowship with God.

Jesus and Judas. *There is unbelief in this relationship. Judas was blinded by greed. It was his own decision that led him to deny Jesus and he condemned himself by his own decision.*

- Jesus says Judas never believed in Him, and therefore was not saved (John 6:65-71, 13:10c-11).
- Judas' life reminds us of the danger of coming so close to Jesus and yet missing eternal life. The story of the Prodigal is not only about how a filthy sinner can be saved, but it is also about how a very good man can be lost. This good man never left home, but he was never home.

ENROUTE

1Timothy 4:7-16: Paul says to Timothy in order to become a godly person; grow in spiritual maturity and Christ-likeness. Train and exercise as an athlete to become and to keep fit. Why? Because it is *Personal, progressive and profitable matter* (v⁷,8). How are we to train ourselves for godly living? Privately and Corporately: *Prayer, Reading of God's Word, attending Public worship...and By practising the presence of God in our life* – God is with us (Heb 13:5; Matt 28:20) and in us (Gal 2:20; Col 1:27). As we go through each day, we need to be conscious of Christ living within personally and practically. - Moa Imsong
